RE: Certification Application
FCC ID: W7BKEE58705

I am writing to ask that you please allow the 15.19 statement to be inserted into the device's manual instead of on the device itself; the area in which the label can be attached to the device is not sufficiently large enough to allow for the size of the 15.19 statement.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Louie Spicer". The signature is stylized with large loops and a long horizontal stroke at the end.

Louie Spicer
